

include/lite_torrent
/crypto.h

```
graph TD; A["include/lite_torrent/crypto.h"] --> B["stdio.h"]; A --> C["string.h"];
```

The diagram illustrates a header file dependency. A central box at the top contains the text 'include/lite_torrent/crypto.h'. Two blue arrows originate from the bottom of this box and point downwards to two separate boxes below. The left box contains 'stdio.h' and the right box contains 'string.h'. This represents the 'crypto.h' header file including both 'stdio.h' and 'string.h'.

stdio.h

string.h
